To the love of my life Irit, and my amazing kids Yoav and Yael, for everything they are and everything they do. To my mother Nurit, my father Haim, and my sister Dana for helping me become the person I am. To my mentors, Gurit Birnbaum, Silvia Bunge, Mario Mikulincer and Phil Shaver for teaching me and shaping my academic endeavor. And finally to my coauthors who helped me make this dream come true.

Omri

To my two most precious girls Kellie and Mary, I experience no greater joy than when we're together. To Mum, Dad, and Myra, for providing living proof of what it is to be part of a loving family. To the broadening and building power of mentors—my humbled thanks to Judy Feeney, Pat Noller, Marita McCabe, Jeanette Lawrence, and Jeff Simpson—I so appreciate your support and wisdom.

Gery

To my wife, Caroline, for her patience and support, and my children, Garrett and Mary, for teaching me how to write in extremely noisy locations, my parents and my mentors, Keith Davis, Rick Robins, Phil Shaver, and Niels Waller, for their encouragement and guidance throughout my career.
